UNITED STATES DISTRICT JUDGE LESLEY WELLS

This matter was referred to United States Magistrate Judge William H. Baughman, Jr. for a supervised release violation hearing for the purpose of returning a Report and Recommendation (R&R), pursuant to 28 U.S.C. § 636(b)(1)(B). Following a hearing in which Mr. Cipolla was represented by counsel, Magistrate Judge Baughman returned a recommendation that the defendant knowingly and voluntarily admitted the supervised release violations presented in the violations report. (Doc. 1394).

Further, Magistrate Judge Baughman recommended Mr. Cipolla's supervised release be continued as the Defendant has, since his initial appearance, complied with all terms of supervision imposed.

The government's attorney and the defendant's counsel have notified the Court they have no objection to Magistrate Judge Baughman's R&R. Accordingly, this Court shall, hereby, adopt the Report and Recommendation continuing Mr. Cipolla's conditions of release.

IT IS SO ORDERED.
